24/7 Emergency Response

From initial point of call, a team of L4 professionals is immediately dispatched, arriving promptly on site, at times, even within minutes from your emergency service call.

Certified by the IICRC

We're certified by the Institute of Inspection, Cleaning & Restoration Certification (IICRC) which means that our disaster services program is based upon industry standard mitigation procedures. This translates to efficient & lasting results for you.

Water Removal & Dehumidification

Using specialized extraction and dehumidifying equipment designed to effectively dry the structure, our Team will eliminate excess water and undesirable moisture from within the structure.

Mold Remediation & Sewage Mitigation

Safe cleaning or removal and decontamination of affected materials in all mold remediation and/or sewage mitigation situations.

Fire, Smoke & Odor Mitigation

Detailed cleaning to remove soot or other contaminants as well as undesirable odors from affected areas through the use of specialty cleaning equipment.

Biohazard Cleanup

Decontamination of an establishment following a trauma, chemical spill or other biohazard by trained specialists with experience to properly resolve these delicate circumstances.

L4 Property Services is a woman owned property service organization. Our focus is 100% customer satisfaction the first time, every time. Outstanding service is what we are built on.

Territories we serve:
